

AQUARIS OFFSHORE SDN BHD

HEALTH SAFETY and ENVIRONMENT POLICY

Aquaris Offshore Sdn. Bhd. is committed to take all possible actions to protect its employees, clients and others to prevent pollution, incidents and occupational illnesses throughout our operations by ensuring that:

- The Health, Safety and Environment (HSE) considerations are given priority over our other business considerations
- To comply with all applicable statutory laws and legal requirements that relate to environment, health and safety hazard
- The best technology and practices are available to reduce the impact of our operations to the environment, particularly with regard to the efficient use of energy and materials, the minimisation of waste and the prevention of pollution
- A systematic approach to HSE management is applied to achieve continual HSE performance improvement including setting strict HSE objectives and performing regular audits and reviews
- Our workplaces is designed to minimise the risks to personnel and developing work practices to further reduce the risk as low as reasonable and practicable
- Our personnel and our contractors are competent in their task and further provide HSE training and awareness programmes to manage HSE risk
- All employees, contractor, vendors, customers and visitors on our premises comply with our requirements at all times

Application

Aquaris Offshore Sdn Bhd policy emphasises that every employee and official of the company is unreservedly committed to achieving our ultimate HSE target, which is ZERO ACCIDENT, ZERO INCIDENT, LESS POLLUTION AND MINIMUM WASTE.
